

- Hello everyone -

On the January 5th' (Friday night) I'm hosting for the third time

The annual nostalgic Israeli folk dance marathon "Kemo az"  
(Like then) at Merkaz Meirav

I invite all of the Israeli folk dance lovers to come and enjoy a lovely evening of folk dances in a truly nostalgic atmosphere, "like then" in which we will dance the popular dances from the beginning of the Israeli folk dancing, until the early 90s

We will start this magical evening at 20:00 at a sing-along with the great Saraleh Sharon in a nice and cozy hall, enjoying warm and tasty cider, rugalach and seasonal fruits

From there, at 21:30, we will continue to the ballroom where we will dance to a folk dance orchestra conducted by Amos Aloni, who will play live music for us - and we will dance and have fun

All night long next to the folk dance hall, you will be offered a warm café-room to rest, sit have a hot coffee and enjoy a light meal

Waiting for you with great excitement
